

The Absurd World of COOKIE CLICKER

Enter: YOU

"You feel like making cookies. But nobody wants to eat your cookies."

You live in a house!!

You bake 0 cookies per minute, like a fool

You have to click for your cookies, 1 at a time.

You can name your bakery whatever you want

NAME YOUR BAKERY   X

What should your bakery's name be?

The cookie

"News : man found allergic to cookies; "what a weirdo", says family."

You click it

Wow

A cookie

Iconic

It's like money!

News ticker

News : doctors recommend twice-daily consumption of fresh cookies.

The news tells you how the world is doing!

It scrolls once every 10 seconds

There are over 300 of these messages

I have read all of them

send help.

BUILDINGS

"News : scientist predicts imminent cookie-related "end of the world";
becomes joke among peers. "

Buildings are how you make cookies
There are 20 buildings including:

Factory

Bank

Temple

Your Grandma

*All of them make more
cookies than you can
click yourself!*

GRANDMA

"Why don't you visit more often?" -grandma

Grandma is the backbone of your cookie empire

Makes a base 1 cookie per second **WOW!**

Starting at the low low price of 100 cookies

Comes in several varieties
to buff other buildings

GRANDMA

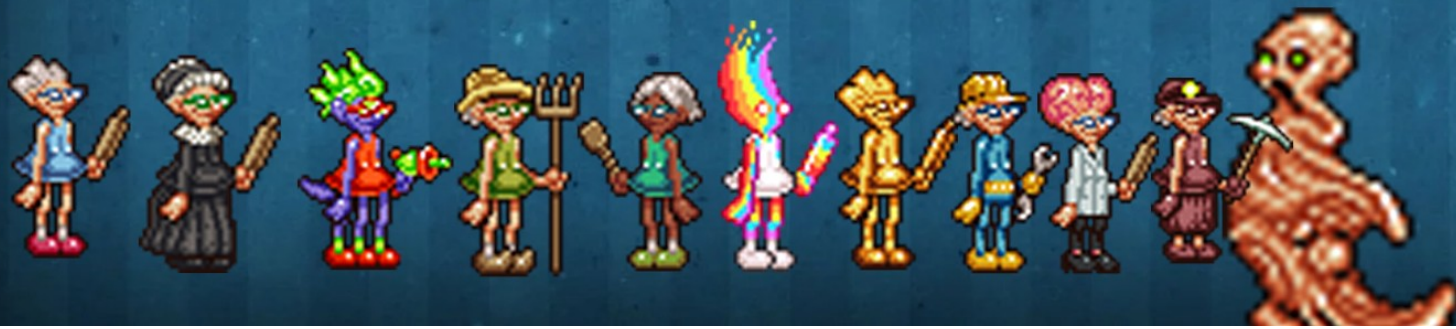

"Indentured Servitude" -Grandma

Grandma is the backbone of your cookie empire

Makes a base 1 cookie per second **WOW!**

Starting at the low low price of 100 cookies

Comes in several varieties
to buff other buildings

UPGRADES

News : is our media controlled by the cookie industry? This could very well be the case, says crackpot conspiracy theorist.

1-time purchases that increase building efficiency

There are two common kinds of upgrades:

Cookies, giving overall
5% bonus each

Building upgrades, which
double the building's production

-Wheat triffids
Doubles farm production

"Do not pet. Do not feed.
Do not attempt to converse with."

Every upgrade has a lore tooltip!

PROGRESS IS PARAMOUNT!!!!

"News : cookie manufacturer downsizes, sells own grandmother!"

Why would anyone stop at making cookie factories?

We can go so much further!!!

Time machine

Brings back cookies from before they were eaten; this means 100% more cookie per cookie!

Javascript console

Turns out the universe runs on Javascript. We can use this to hack in more cookies!

PORTAL TO HELL

I mean there's probably cookies there

THE GRANDMAS GROW RESTLESS

News: millions of old ladies reported missing!

"We are not satiated." -grandma

Latest in cookie production (and rebellion squashing) technology:

The Bingo center!
(and research facility)

Now Grandmas will be
too busy to rebel! Bingo!

Grandmas will research things like:

Designer Cocoa beans

- "Now more aerodynamic than ever!"

One mind

- "We are one. We are many."

THE GRANDMAPOCALYPSE

News : remains of "old ladies" found frozen in the middle of growing fleshy structures!

Grandmas have invaded the world
People are literally dying.

The world is overrun by fleshy structures,
Grandmas are distorting into horrific beings

Hey guys, we boost cookie production by like, a lot

Meet
THE

WRINKLER

CAPITALISM IS A GAME

News : "at this point, cookies permeate the economy", says economist.
"If we start eating anything else, we're all dead."

This is all that matters.

And you know it.

You are the most productive building

News : the person of the year is, this year again, You! How unexpected!

You produce 510 trillion cookies at base value

If 1 of you made an empire,
how far can 700 of you go?

Progress is mandatory.
